Career Summary

2010 – 2020	SAP Expert / teamlead / Project Manager	RIX Advies
2005 – 2010	SAP Expert / teamlead	C/Tac - mYuice
1997 – 2005	Senior SAP consultant	The Vision Web
1995 – 1997	SAP consultant	Volmac
1993 – 1995	SAP ABAP programmer	Volmac

Professional profile

Thorough LES, SD and MM background and due to involvement in full scale SAP projects also familiar with other modules. Broad knowledge within the LES, SD and MM modules, and huge experience from multiple roll-out projects. Building up skills and experience in SAP EWM, by SAP trainings (EWM Certified) and hands-on on projects.

I like to work with all aspects in a project life-cycle; from the first business contact, blue print writing, system configuration, testing, training, migration, roll-out and finally doing support.

As a person I like the interaction with my colleagues and business relatives. I aim to bring positive energy and a good atmosphere to my colleagues. I can work independently, I am dedicated, and I like to take responsibility for my work and surroundings.

I am able to communicate, written and oral, on all levels in an organization.
